Suisun City, CA 94585

All participating schools
receive a \$50 Amazon
gift card to raffle off to
teachers that complete
the survey!

Fall 2018 Travel Survey Request

October 15, 2018

Dear Principal,

The Solano Safe Routes to School (SR2S) Program began in 2008 in response to the growing childhood obesity epidemic, student travel safety concerns, increasing air pollution and traffic congestion near schools in Solano County. The Program works to simply encourage more students to walk and bike to school and be more active while making the areas around your school safer and easier to do so. All of our events and activities are FREE and available to schools in Solano County.

To help evaluate our program, we are asking schools to conduct a simple hand tally travel survey in each classroom to see how students get to and from school. As a token of our appreciation, all schools who return the completed surveys will receive a **\$50 Amazon gift card** to be raffled off to teachers who complete the classroom hand tally sheet attached.

Student Arrival and Departure Tally: Please ask each of your teachers to complete the attached survey for **two** days, during one week, excluding Mondays and Fridays. Choose a week from the options below. The survey should take approximately 3-5 minutes to conduct. **see tip to complete survey in 1 day.*

October 22-26 or October 29-November 2

Once completed, please collect these surveys and mail, fax or scan to my attention by **Monday, November 5, 2018**. Electronic versions can be found online at www.solanoSR2S.ca.gov under "Surveys" in the *Connect* tab.

If you have questions about the survey, and/or are interested in any of our FREE program services, please contact us at (707) 399-3222 or at: kbloesch@sta.ca.gov.

Thank you for your continued support of our program!
Sincerely,

Karin Bloesch
Senior Program Coordinator, Solano Safe Routes to School

Attachments:

1. School information page
2. Safe Routes to School "Student Arrival and Departure Tally Sheet"

Tip: This survey can be conducted in **one day** by first asking students how they traveled to and from school *yesterday*. This will be Day 1 data. Then ask the students how they arrived *today* and will return home today. This will be the data for Day 2. **The one day survey must only be done on a Wednesday or Thursday of the week.**

All participating schools receive a \$50 Amazon gift card to raffle off to teachers that complete the survey!

Your Kids. Your School. Your Community.

Safe Routes to School Student Arrival & Departure Tally Sheet: October 2018

School Name: _____ City: _____ Teacher Name: _____ Grade: _____

Instructions: Total Students in Class (Typical): _____

- To be eligible for the \$50 gift card, conduct this survey with your students on a Tues., Wed. or Thurs. for 2 consecutive days during one of these time periods: October 22-26 or October 29 - November 2. *See tip to perform survey in 1 Day.
- Ask your students **"How did you arrive at school today?"** Read through all the answer choices below and define "carpooling". Then read the answers a second time and ask your students to raise their hands. Each student may only answer once.
- Use the same procedure for **"How do you plan to get home after school?"** Then ask about students' travel that day to get home.

Tip: This survey can be conducted in **1 day** by first asking students how they traveled to and from school *yesterday*. This will be Day 1 data. Then ask the students how they arrived *today* and will return home today. This will be the data for Day 2. **The one day survey must only be done on a Wednesday or Thursday of the week.**

Circle time period survey was conducted: October 22- 26 October 29-November 2	Weather (sunny, rainy, overcast)	Number of students in class when counted	Walk	Bike	School Bus	Family Vehicle (with brothers/sisters only)	Carpool (with children from other families)	Public Transit (city bus, train, etc.)	Other (skateboard, scooter, etc.)
Tuesday Before School									
Tuesday After School									
Wednesday Before School									
Wednesday After School									
Thursday Before School									
Thursday After School									

List any disruptions, scheduled activities or unusual travel conditions before or after school that may impact these counts:
