

# Solano Safe Routes to School

## Biking Safety Tips

Follow these bike safety rules when biking to school or in your community

- **ABC Quick Check before you ride! Check the Air, Brakes, Chain, seat and tire Quick release**
- **Always wear your helmet - It's the Law!**
- **Make sure cars can see you!**
  - **Wear bright-colored clothing or reflective gear at night**
  - **Use a bike light from dusk to dawn** (white light in front, red flashing light/reflector in back)
- **Ride with the flow of traffic** - the same direction as cars
- **Obey traffic signs, signals, and lane markings**
- **Use hand signals when turning or stopping** - let cars know where you are going
- **Watch for cars pulling out of driveways, and drivers opening their doors when parked on the street**
- **Don't wear headphones or talk on a cell phone while riding** - know what is happening around you
